

What EZTakes' Partners Are Saying

"EZTakes is one of our most successful digital download partners and clearly offers a unique service to our customers."

Jeff Fergason, President
Razor Digital Entertainment

"Our income from EZTakes has grown at a steady and healthy pace. I've also been very impressed with their service, their reporting and their payment procedures. EZTakes really has its act together."

Freyr Thor, President
Vanguard Entertainment

"When it comes to making money from selling movie downloads, EZTakes is the way to go. There's no inventory, no returns, the fans love it and the checks come every month."

Darren Ramage, President
Brain Damage Films

"When you put your content on EZTakes, you'll get paid. We are very pleased with their performance,"

Eric Lozile, President
Echelon Entertainment

"If you want to sell video downloads, then EZTakes is a no-brainer. It was very easy for us to get going and they started paying us royalties immediately. The people at EZTakes know their stuff."

Ian Warfield, President
Mill Creek Entertainment

"EZTakes has made it easy for Tempe fans to buy, download and burn their favorite movies to DVD so they can watch them on their home theatre systems instead of the computer! The staff has been amazingly supportive of our small label content, quickly addressing any of our needs and always prompt with their payments. This is the future of film distribution, and it's here and now with EZTakes!"

J.R. Bookwalter, President
Tempe Video

"Although we just started with EZTakes, we began making money right away and our monthly income has increased steadily."

Greg Luce, President
Sinister Cinema

"By constantly working hard to increase our sales, EZTakes has made significant progress in a new market that is still not well understood by most people. They have also been very responsive to our needs."

Bob Karcy, President
V.I.E.W. Video
